

## ACCIDENTALLY – Orphan Songs

Music and Words: Carl-Otto Johansson

C#m F#  
accidentally she called me over  
C#m F#  
accidentally I'm moving closer  
A  
I'm going nowhere  
F#  
I'm coming up for air

C#m F#  
and accidentally a change in the script  
C#m F#  
a stir in my brain, a pleasant pain  
A F#  
and I know it's stupid, 'cause we're just friends  
A F#  
but the look she gave me lasted about a week

E B  
and she doesn't care I'm going nowhere  
F#m  
and with a smile on her face  
A  
she fixed me a job  
E  
working as a middleweight champ  
B F#m  
to be in her eye, oh to be in her eye  
Amaj7  
but we're just friends

C#m F#  
accidentally I'm chasing the lights  
C#m  
I can tell by the way she is looking at me  
F#  
she's got something on her mind  
A F#  
and she's moving closer, she's in the way  
A F#  
and the scent she left here lasted about a week

E B  
and she doesn't care I'm going nowhere  
F#m A  
and on the tip of my tongue was a four-letter word  
E  
daring me to spit it in her face  
B  
are we falling from grace?  
F#m  
are we falling from grace?  
A  
oh, we're just friends

B F#m  
and that's the way it should be  
B F#m  
yeah that's the way it should be  
B  
that's the way it's got to be

F#m  
but I can't stop  
B F#m  
I'm way out of line, but I can't stop  
B F#m  
I'm way out of line, but I can't stop  
B F#m  
so way out of line, but I can't stop  
B  
no I can't stop

F#m B  
*Repeat and fade*
